

# Connecting European HealthTech Entrepreneurs and Investors

**Healthtech Investor Summit 2026**

Bruges, Belgium

30 November – 02 December 2026

[www.healthtechinvestorsummit.com](http://www.healthtechinvestorsummit.com)

# Our Goals

1

## Connect

Bring together European HealthTech entrepreneurs and investors in a focused, high-value environment

2

## Innovate

Establish Europe's premier HealthTech investor event, setting the standard for quality and impact

3

## Inspire & Educate

Deliver insightful sessions and real conversations for all ecosystem stakeholders

4

## Showcase

Spotlight Europe's top health innovations and cross-border investment opportunities

5

## Fuel Growth

Actively support the booming European HealthTech ecosystem to scale faster

# HIS 2025 Edition

A successful third edition

# HIS 2025 by the numbers:

# For Healthtech Innovators

What is in it for you?

# HealthTech startups: How to get the most out of HIS 2026?

## Connect with 100+ Investors

Meet local and pan-European investors through the matchmaking platform, the Reversed Investor Pitch event, and multiple dedicated networking moments.

## Take the spotlight

Pitch your company in front of investors and the broader HIS community. Get visibility, feedback, and connections that can change your trajectory.

## Stay ahead of the curve

Access the latest sector developments through strategic panel discussions, educational sessions, and expert-led conversations.

## Build your network

Connect with HealthTech experts, fellow founders, cluster organisations, and ecosystem builders from across Europe.

# Pitching at HIS 2026

Applications now open

## Who can apply?

- Private HealthTech companies in pre-seed, start-up, or scale-up stage
- Must have significant operations in Europe, from Iceland to the southern tip
- Open to all tech-driven health solutions (except traditional therapeutics)

Broad geographic representation is a key selection criteria across all categories.

## Pre-Seed

Target selection:

**27 companies**

## Start-Up

Target selection:

**38 companies**

## Scale-Up

Target selection:

**30 companies**

**Total target: 95 companies**

# Selection for Pitching at HIS 2025

|                              | PHASE 1                                               | PHASE 2                                            |
|------------------------------|-------------------------------------------------------|----------------------------------------------------|
| Type of Selection            | National/Regional selection across selected countries | Pan-European selection across Europe               |
| Timing                       | Before September                                      | Between June and November                          |
| Number of selected companies | 55-60 companies from selected countries/regions       | 30-35 companies to pitch as HIS from across Europe |
| Area & location              | Specific country/region                               | Europe                                             |

# For Healthtech Clusters and Incubators/Accelerators

What is in it for you?

# Clusters & Incubators: Grow your ecosystem's reach

## Put your members in the spotlight

Get your associated companies selected and pitching at HIS 2026. Showcase the strength of your ecosystem to a European investor audience.

## Be a Knowledge Partner

Promote HIS 2026 across your network as a Knowledge Partner. Build your visibility and position yourself as a key node in the European HealthTech landscape.

## Drive pre-selection

Join as a Strategic Knowledge Partner and take an active role in the national pre-selection process. Your local expertise makes the selection stronger.

## Connect across Europe

Build relationships with other clusters, incubators, and ecosystem builders from across Europe. HIS is one of the rare places where the entire ecosystem gathers.

For HealthTech Service Providers,  
Corporates and experts

What is in it for you?

# HealthTech Service Providers, Corporates and experts: Engage, assess & shape the future

## Access to Top Innovators

Be exposed to a carefully selected group of HealthTech companies from 20+ countries. See what is coming next before the broader market does.

## Shape the Selection

Serve as a jury member in national and/or pan-European pre-selection. Your expertise ensures the best companies take the stage.

## Matchmaking & Collaboration

Connect with investors, founders, and other sector experts through the matchmaking platform and curated networking sessions.

## Sector Intelligence

Engage with strategic panels, educational sessions, and peer conversations that keep you at the cutting edge of European HealthTech.
